

SENIOR CIVIL/SITE ENGINEER

Concord, New Hampshire

The H.L. Turner Group Inc. is offering an exciting career opportunity for an innovative, senior level engineer with strong technical, project management and client relationship experience to join the firm's expanding civil group. Candidate will develop civil-designs, as well as plan, coordinate, direct, and supervise design teams for site development projects and for hydroelectric facilities – public and private. Strong communication skills are required. This is a leadership position with the opportunity to be part of the firm's Ownership Team.

Qualifications/Skills:

- Minimum 15 years of design experience and a BS in Civil Engineering.
- Registered Professional Engineer.
- Lead the design, management, and growth of our civil engineering department.
- Ability to coordinate with design team, clients, and local/state/federal agencies.
- Strong design skills and reputation in the Northeast market for site/civil engineering on land development and utility design services.
- Occasional travel and site visits are required.

The H.L. Turner Group Inc. is an award winning, multidiscipline Engineering & Architectural firm headquartered in Concord, NH. Equal Opportunity Employer.

Competitive compensation and benefits package included for the successful candidate. All inquiries will be held in the strictest of confidence. Please send resumes to Sara Ihle at The H.L. Turner Group Inc., 27 Locke Road, Concord, NH 03301, or via email at sihle@hlturner.com.
